

Ennis ISD Student Dress Code 2023-2024

The objective of the Ennis ISD Dress Code is to provide students a consistent standard in grooming and hygiene that ensures safety, teaches respect and prevents disruptions to the educational process. All students are required to comply with the dress code. Students and parents have the latitude to determine a student's personal dress and grooming, provided it is within the framework of the approved EISD Dress Code.

Administrators will have complete and final judgment on all matters concerning the interpretation of the EISD Student Dress Code. Matters concerning appearance and dress not specifically covered in this code shall be within the discretion of the administration.

Students in violation of the EISD Student Dress Code will be expected to correct the issue immediately or as soon as possible and may be subject to discipline consequences for repeated violations.
