Community & Educational Resources for Youth and Adolescents

FINDING THE RIGHT INFORMATION, resource or person, to meet your specific needs or those of someone in your family, can be both challenging and frustrating. **We want to Help!**

Please join us and spend the day connecting the dots. You can connect with our experts by attending our breakout sessions, where you will learn about valuable resources and ask any questions you may have. You can also connect with any of the exhibitors we will have on hand that day. To really connect the dots, you have to have a little fun, so we have arranged for some cool activities for the kids!
