ELIGIBILITY:

All registered students of a participating school/district in grades PreK-12.

COVERAGE OPTIONS

AT SCHOOL COVERAGE: Insurance coverage is provided during the hours and days when school is in session, while attending or participating in school sponsored and supervised activities on or off school premises (i.e. day field trips) and while participating in interscholastic athletics (except injuries incurred while participating in High School Football events/activities). Coverage is provided while traveling to, during or after such activities as a member of a group in transportation furnished or arranged by the Policyholder and traveling directly to or from the Insured's home premises and school premises when school is in session. If the Policyholder provides mandatory coverage for students under an At School, Interscholastic Athletic/Activity or Football program, benefits will be payable under those programs before being considered under an At School Voluntary program.

24-HOUR COVERAGE: Provides coverage for injuries incurred 24-Hours a day, 365 days a year, at home, at school and while participating in interscholastic athletics (except injuries incurred while participating in High School Football events/activities). If the Policyholder provides mandatory coverage for students under an Interscholastic Athletic/Activity, Football or At School program, benefits will be payable under those programs before being considered under a 24-Hour Voluntary program.

FOOTBALL ONLY: Insurance coverage is provided for High School Football athletes during athletic tryouts, preseason play, practice, state interscholastic governing body approved conditioning, regular and post season play and for travel to, during or after covered athletic activities as a member of a group in transportation furnished and arranged by the school. If the Policyholder provides mandatory coverage for Football athletes under an Interscholastic Athletic/Activity or Football program, benefits will be payable under those programs before being considered under a Voluntary Football Only program.

EXTENDED DENTAL COVERAGE: This is supplemental coverage for expenses resulting from covered accidental dental injuries. The dental benefits provided are: (a) 100% of Allowable Expense for examinations, X-Rays, endodontics and oral surgery to a maximum of \$10,000; or (b) dental expenses toward the cost of bridges, dentures or replacement of previous dental repairs to a maximum of \$250. No coverage is provided for orthodontics (braces) for any reason or damage or loss thereof. Extended Dental Coverage must be purchased in conjunction with a 24-Hour, At School or Football program; it cannot be purchased as stand alone coverage.

COVERAGE PERIOD – Coverage under the At School, 24-Hour and Football programs begins on the date of premium receipt but not before the start of the school year activities. At School Coverage ends at the close of the regular nine-month school term. 24-Hour Coverage ends when school reopens for the following fall term. Coverage is available under both plans throughout the school year at the premiums quoted (**no pro rata premiums available**).

BENEFITS

ACCIDENT MEDICAL EXPENSE: When a covered injury to an Insured results in treatment by a physician or surgeon beginning within 60 days of the date of the accident; we will pay benefits as shown in the **Schedule of Benefits**, in excess of the Medical Deductible, if any. Only eligible medical expenses incurred by the Insured within 52 weeks from the date of the accident are covered. Benefits for any one accident shall not exceed in the aggregate the maximum Medical Benefit of \$25,000 (\$5,000 for motor vehicle accidents). We will pay the Medical Expenses an Insured incurs for covered services that exceed amounts payable by any Other Insurance Plan, subject to the Deductible, Benefit Percentage, and Benefit Period.

ACCIDENTAL DEATH AND SPECIFIC LOSS: Benefits are paid for losses incurred within 180 days from the date of Injury. The following benefits (the largest applicable amount) are paid in addition to the medical benefit:

Loss of Life	\$10,000.00
Loss of both hands, both feet, sight in both eyes, speech and hearing	\$10,000.00
Loss of one hand, one foot, sight in one eye, speech or hearing	\$5,000.00
Loss of Thumb and Index Finger of the Same Hand	\$500.00

"Loss" means, with regard to hands and feet, actual severance above the wrist or ankle joint, with regard to sight, speech or hearing the total and irrevocable loss thereof. Loss means, with regard to thumb and index finger of the same hand, severance of two or more entire phalanges of both the thumb and index finger.

DEFINITIONS

Allowable Expense means a Medical Expense otherwise payable under the policy that is not in excess of the 80th percentile identified on Context4HealthCare (the "Database"). When there is, in Our determination, minimal data available from the Database for a Medical Expense, We will determine the amount to pay by calculating the unit cost for the applicable service category using the Database and multiplying that by the relative value of the Medical Expense based upon a commercially available relative value scale selected by Us. In the event of an unusually complex medical procedure, a Medical Expense for a new procedure or a Medical Expense that otherwise does not have a relative value that is in Our determination applicable, We will assign a relative value. The Medical Expenses We pay may not reflect the actual charges of a provider and does not take into account the provider's training, experience or category of licensure. A provider may charge the Insured the difference between what the provider charges and the amount We pay under the policy. The Database will be updated by us as information becomes available from the supplier, up to twice each year. We may modify the Database in Our discretion to reflect Our experience. We have the right, in Our discretion, to substitute or replace the Database with another database or databases of comparable purpose, with or without notice.

Injury means bodily harm which: (1) requires treatment by a Physician; (2) results in loss due to an Accident, independent of Sickness and all other causes; and (3) occurs within the Scope of Coverage.

Hospital does not include: (1) a clinic or facility for: (a) convalescent, custodial, educational or nursing care; (b) the aged, drug addicts or alcoholics; (c) rehabilitation; or (2) a military or veterans hospital or a hospital contracted for or operated by a national government or its agency unless: (a) the services are rendered on an emergency basis; and (b) the individual has a legal liability to pay for the services given in the absence of insurance.
