

ENNIS LIONS BASEBALL BOOSTER CLUB

2024 Baseball Scholarship

The mission of the Ennis Lions Baseball Booster Club is to serve and support the adjunct needs of the Ennis High School Baseball program and players. Booster Club support is offered throughout the course of the season for player and program needs. Additionally, in 2014, as a way to promote continued academic success, the Booster Club created a scholarship opportunity for Ennis High School Baseball Seniors as they transition into post-secondary education or career training. This award has grown over the years, and we are proud to continue recognizing our dedicated young men for their contributions to the Ennis High School Baseball program and desire to further their academic endeavors.

Each year the EHS Baseball Booster Club accepts applications from Senior baseball athletes for scholarship consideration. The scholarship committee will verify eligibility and will review the completed application, short essay, and letters of recommendation prior to making award selections. Furthermore, the value of each award given will be based on a percentage scale determined by the athlete's years of participation within the Ennis Baseball Program as follows:

1 year of participation	25% of individual award value
2 years of participation	50% of individual award value
3 years of participation	75% of individual award value
4 years of participation	100% of individual award value

Award recipients will be provided with a scholarship redemption form at the time of the award announcement. This form will need to be returned to the Baseball Booster Club prior to award disbursement. Scholarships must be redeemed by January 31, 2025, or they will be considered forfeited. All scholarship awards will be paid directly to the post-secondary education institute or training program the athlete will be attending and will comply with all UIL and NCAA guidelines.

Please review the following scholarship guidelines before submitting your application. If you have any questions regarding this scholarship, please contact the Scholarship Committee by email at admin@ehsbaseballboosters.org.
