Topics discussed:

NJHS Selection – it was decided that teachers should continue to be involved in the selection process.

Cell Phones – discussed whether we want to ban cell phones from the classroom. It was decided that we will continue our current practice and cell phone use (for academic purposes) within the classroom would be the individual teacher's decision.

Staff Development Ideas – discussed different staff development ideas and I asked members to seek out more ideas from their departments.

Elective ideas – discussed the addition of possible electives for the future (PE Ideas, Home Economics, Spanish 1, Theater Arts)

Student/Teacher Incentives - discussed ways to celebrate students and staff. Thomas Bartee said that he could raise money via community members to assist us with incentives.

Next SBDM Meeting will be April 6, 2017.

Final SBDM Meeting will be April 27, 2017
