

Standardized Dress Policy

This brochure is designed to assist parents in shopping for school clothes that meet the Ennis ISD Student Standardized Dress Policy.

The color chart contained in this brochure accurately represents the approved uniform colors.

Individual campus principals will be the final authority as to compliance of this dress policy.

Students who violate the Ennis ISD dress code and require frequent and ongoing correction from the administration will be deemed insubordinate. Consequences for insubordination will be considered serious. Administrative time is very valuable and is best spent working with staff on outstanding curriculum and instructional delivery rather than regularly correcting students about dress code issues.

All students 4th - 12th grade will wear a face mask or face shield during school hours, with the exception of meals or at the direction of staff due to certain situations. (e.g., meals, playing musical instruments, physical activity)

Masks include non-medical grade disposable face masks, cloth face coverings (over the nose and mouth), or full-face shields to protect eyes, nose, and mouth. Face coverings shall be solid maroon, grey, black, white, or light blue and may include a campus or district approved organization, campus or district name or logo, or feature the Lion mascot.

These guidelines are subject to change according to guidance from the Department of State Health Services (DSHS), Ellis County Health Department, and any executive orders or directives from Governor Greg Abbott, to determine the community transmission level and use of face coverings.
